To Whom It May Concern:

Paige Lo joined UBS Financial Services in May 2007. In her position as Junior Financial Analyst, she has proved to be a reliable and effective member of the Branch Finance Support Team. She has excellent computer skills, is well organized, can work independently and is able to follow through to ensure that the job gets done.

She reported directly to me and as part of that team, we were responsible for the finances/profitability of 200 branches. The unique role of this department was to help branch managers achieve maximum profitability by taking an individualized look at the branches. She helped run monthly P&L and indication reports for the managers and answered a variety of branch accounting questions. During her time here, she was able to build an excellent rapport with the branch management teams and her co-workers.

Paige would be an asset to any employer and I recommend her for any endeavor she chooses to pursue.

Sincerely,

Doug Oakes
